

Dear Flowers Parents,

Thank you for all your hard work to ensure that this school year is safe as possible. Our current Covid Procedure is as follows:

If your child or another household member tests positive for covid, your child must isolate for at least five days until testing shows negative, and fever and other symptoms have passed. Your child must be fever free (without the use of fever reducing medication) for 24 hours before returning to school.

Thank you,

Team Flowers
