Protect our Earth:

April is earth awareness month. We celebrate the way our children treat our planet. One of the teachings we can share is to provide reusable containers for food and juice in your child's lunch. If they help you make their lunches this will be a valuable lesson for them in regards to food choices and reusable happy planet choices. Keep in mind the four food groups.

PLEASE PROVIDE:

The weather is warmer – remember safety first. **HATS – TWO** labeled **WATER BOTTLES** and **SUNSCREEN!** Please apply the morning application of sunscreen.

Team Flowers will apply the mid-day application. Please donate a bottle of each for the supply. Thank you.

HELP!! With 45 children please label all school items.

Please label your children's items which include:

Lunch boxes, changes of clothing, and sunscreen. Please remember to bring a washable mat for your child to put their lunch on.

WE ARE FULL FOR FALL. If you are interested and have not submitted your application please see Bridget immediately. We love you so much. You are our family. If you are not returning we wish you the best success in your new school! You will be remembered in our hearts forever.

SUMMER: We have a few spots open for summer. Interested? See Bridget.

Lastly, we offer our heartfelt hopes for peace. May it trickle throughout the planet and spread to all parts of the earth. We embrace all cultures here, it is truly a children's house. If you travel, please remember to bring back dirt to spread in our peace garden. We have dirt from all over the planet in our garden and would love to add samples from your homelands or travels.

Peace and love to all!
