March Newsletter

Team Flowers wishes you a happy spring!!! This year is going by so fast and the children have grown so much! Love and light!

Please check your child's cubby to ensure they have an appropriate change of clothing. We ask that you label all items and place them in a ziploc bag.

Spring Planting April 15

Monday April 15 our beautiful children will be planting our "Flowers Family" garden. Please have your child bring a **flowering** plant of their choice to plant in our fabulous garden. If you have any questions about this, please ask Teka. The children love this special activity and are impressed with the results of their hard work.

AFTER-SCHOOL STUDENTS

If your child is in our wonderful after-school program please note that your child must bring a healthy nutritious food for afterschool lunch at 3:30. Flowers Montessori offers snack at 10:30 and 2:30. Parents are required to provide enough food for 3:30 light lunch. Please make sure your child has enough food in their lunch box so they are offered a nutritious and healthy 3:30 choice. Please consider a long lasting protein.

STATE REQUIRED SNACK NEWS

Please provide TWO food groups when you bring snack. ALL FOOD must be prepared and ready to serve.

We are not able to prepare food at school as we do not have a food permit. This is a state requirement.

Thank you for bringing in TWO FOOD GROUPS ready to serve for your monthly snack.
